

## Proposed Bill Request System 2015 Update

The Proposed Bill Request System has been redesigned for the 2015 Session. The most significant enhancement is that it is now accessible to authorized users from anywhere on any device. Also, new features have been added to assist you in tracking your requests from submission to bill filing.

### First-time Login:

The first time you log in to the system, you will be directed to the **Manage Profile** page. This page allows you to set your preferences for Contact Person, Phone, Send Completed Bill To, and Email address for your requests.
