try, we believe firmly that there should never be any wrong door. I have said before, low income people have to go through so many doors and have to come back. It is very frustrating. As far as online applications, it is hard to believe that we don't have online applications. This is on project. We need to make sure that project continues and the more it affects DSS, so that is one step in the right direction. The bigger

out reduced application time  for public benefits. Many people -- wait, even longer, to get SNAP, Care 4 Kids and HUSKY. That is just one day that person can't take the job, then they have to go back on

briefly about benefits outreach. They talked about community-based organizations like CAHS, End Hunter CT!, the Hispanic Health Council, d
