Representative Currey also asked about the Oak Street parking lot on Capitol Avenue, which is under the control of the Department of Public Works. This is the lot across Capitol Avenue from the LOB. I spoke to DPW and the people

parking in this lot are employees of agencies that are located at 410-470 Capitol Avenue.

I noticed that columns in the table I had sent in response to the previous parking questions did not line up when printed from the e-mail. I have made some minor changes to this table to reflect counts I got preparing the information above. The revised table is included below.
