Background
Each agency's budget includes a line item account called "Nonfunctional - Change to Accruals." This line item represents the estimate of the difference between an agency's cash-basis budget amount and the accrual-basis amounts that will be reflected under Generally Accepted Accounting Principles (GAAP). These funds will not be available for spending; in the aggregate they will prevent the state's GAAP deficit from growing.

Governor
Reduce funding by $3,577 to reflect updated estimates of accruals to comply with GAAP. Across all appropriated funds, there is a net GAAP reduction of $33.8 million.

Legislative

Provide funding of $50,000 for secure lockboxes for the drop off of unwanted pharmaceuticals by the public at local police stations. Section 131 of PA 14-217, the budget implementer, requires the Consumer Protection Department (DCP), in consultation with the Connecticut Pharmacists Association and Connecticut Police Chiefs Association, to develop and implement a program to collect and dispose of unwanted pharmaceuticals (medication). The program must provide for (1) a secure locked box accessible to the public 24 hours a day to drop off unwanted medication anonymously at all local police stations and (2) transporting the medication to a biomedical waste treatment facility for incineration. PA 14-47, the FY 15 Revised Budget, included the $50,000 in the Department of Emergency Services and Public Protection. Subsequently section 231(b) of PA 14-217, the budget implementer, transferred funding to the Department of Consumer Protection for this purpose.

**Other Significant Legislation**

**PA 14-47, An Act Making Adjustments to State Expenditures and Revenues for the Fiscal Year Ending June 30, 2015**

Sections 30 and 31 contain provisions that allow the Secretary of the Office of Policy and Management (OPM) to allocate specific lapses to state agencies in the three branches of government (these are typically called holdbacks). The agency’s FY 15 appropriation levels will be reduced by the amounts shown in the table to achieve the lapses included in PA 14-47. This includes a General Lapse of $59,482 and a Statewide Hiring Reduction Lapse of $74,787. See the FY 15 Holdbacks schedule in Section VI of this document for a further description of these statewide savings targets.
