Background

PA 07-7 JSS and PA 09-2 SSS authorized a total of \$15.7 million in bond funds to build a self-contained, secure treatment facility for juvenile justice (JJ) girls. To date, only \$643,000 in bond funding has been allocated for this purpose. Approved on 5/30/08, this funding supported a site evaluation made in preparation for the facility to be built in Bridgeport. The project did not proceed beyond the site evaluation. At that time, staffing and operating expenses needed to support such a facility was estimated to exceed \$6 million annually.

As of 1/28/14, there were 47 JJ girls being served by DCF at an average out-of-home, per diem rate of \$550 per placement, resulting in an average cost of approximately \$200,000 annually per placement. On 1/9/14 the Finance Advisory Committee approved the transfer of funding between various DCF accounts. This included a \$3 million transfer into the Other Expenses account to support, among other items, the renovation of the Pueblo Unit at the Albert J. Solnit Psychiatric Center - South Campus to accommodate juvenile justice girls at a one-time cost of \$500,000 in FY 14.

Governor

Provide 30 positions and associated Personal Services account funding of \$2,531,983, along with \$100,000 in Other Expenses account funding, to support the provision of 10 regular beds and two emergency beds for juvenile justice girls in the Pueblo Unit at Solnit - South.

These funds will not be available for spending; in the aggregate they will prevent the state's GAAP deficit from growing.

Background

A Short Term Assessment and Respite Home (STAR) is a temporary congregate care home that provides short-term care, assessment and a range of clinical and nursing services to children removed from their homes due to abuse, neglect or other high-risk circumstances. Staff will provide empathic professional care for youth within a routine of daily activities which is similar to a nurturing family structure. The youth will receive assessment services, educational support, significant levels of structure, support and care coordination related to family reunification, foster care, congregate care or other discharge planning as appropriate.

Safe Homes provide short-term congregate care for children ages birth to 11 experiencing a first removal from their home due to abuse, neglect or other significant risk factors. The focus of this service is to assist in the stabilization of each youth, to avoid multiple initial placements that often accompany emergency removal and to complete a multidisciplinary exam in order to assist with treatment planning. Safe Homes provide a range of clinical interventions and case management services necessary to meet the needs of all children and youth that require placement and care in a home setting.
