

January 22, 2015

The Honorable Chase T. Rogers
Supreme Court Building
231 Capitol Avenue
Hartford, CT 06106

Dannel P. Malloy
GOVERNOR
STATE OF CONNECTICUT

Dear Chief Justice Rogers:

As you know, the Office of Policy and Management has projected an increased General Fund deficit for fiscal year 2015, despite November's allotment reductions, hiring limitations, contract reductions, and other management actions to address the shortfall. The latest projections are a result of revised revenues from the January consensus forecast as well as increasing Medicaid expenditure trends. Your willingness to be a partner in achieving a positive outcome for this fiscal year is greatly appreciated, and I know we share the desire for the state end the fiscal year with its budget in balance.

Accordingly, I propose to reduce allotment requisitions for the Judicial branch by an additional \$6,000,000, effective February 1, 2015. In accordance with the CGS 4-85, please provide the distribution of this rescission by Judicial branch agency and account (SID) to Secretary Barnes of the Office of Policy and Management not later than January 30, 2015.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Malloy".

Dannel P. Malloy
Governor
