SUBJECT: Review of Agenda Items for the August 24, 2010 Meeting

OFA has reviewed the state and municipal fiscal impact of the eight items on the agenda (items 2010-032 thru 2010-036, 2008-017c, 2009-063a and 2010-029a) for the above meeting.¹ The following table summarizes our review.

¹ CGS Section 2-71c(c)(7) requires OFA to prepare "short analyses of the costs and long range projections of ... proposed agency regulations."

2010-36 Department of Labor - "Pertaining to Unemployment Compensation"

The agency fiscal estimate identifies a revenue gain of \$13,900 and cost of \$13,900 associated with the proposed regulation. While we concur with the total net state cost of \$13,900, we do not concur with the \$13,900 revenue gain.

As a reimbursing employer, the state is responsible for reimbursing the Unemployment Compensation Fund (UCF) dollar-for-dollar for benefits paid. Accordingly, the proposed regulation is estimated to result in a total cost to the state of up to \$13,900 annually, which is not offset by any revenue to the state.
