SUBJECT: Review of Emergency Item for the September 28, 2010 Meeting

OFA has reviewed the state and municipal fiscal impact of the emergency item on the agenda (2010-001E) for today's meeting.<sup>1</sup> The following table summarizes our review.

Reg. #	Agency	Is Agency Estimate of State Impact Reasonable?	Is Agency Estimate of Municipal Impact Reasonable?	Did Agency Submit a Small Business Impact Statement? <sup>2</sup>	Did Agency Submit a Regulatory Flexibility Analysis? <sup>3</sup>
2010-001E	DEP	See below	Yes	No	No

<sup>1</sup> CGS Section 2-71c(c)(7) requires OFA to prepare "short analyses of the costs and long range projections of ... proposed agency regulations."

<sup>2</sup> PA 09-19 requires agencies to prepare a small business impact statement on all regulation submittals, effective October 1, 2009.

<sup>3</sup> CGS 4-168(a) requires agencies to prepare a regulatory flexibility analysis statement on all regulation submittals when there is an impact on small businesses.

2010-001E      Department of Environmental Protection - "Revolver Deer Hunting"

The agency fiscal estimate does not identify any costs or revenue impacts with the proposed regulation. While we concur with the no cost impact, we do not concur with the zero revenue gain.

As it is anticipated that 4,500 hunters will purchase the \$5 revolver deer permit, the regulation is estimated to result in a revenue gain to the state of \$22,500 annually.
