July 13, 2018

TO: Senator Paul Doyle  
Representative Christie Carpino  
Co-Chairs, Regulations Review Committee

FROM: Neil Ayers, Director *DJW or NA*

SUBJECT: Review of Agenda Item 2018-011 for the July 24, 2018 Meeting

OFA has reviewed the state and municipal fiscal impact of item 2018-011 for the Department of Consumer Protection for the above meeting.<sup>1</sup> The following table summarizes our review.

Reg. #	Agency	Is Agency Estimate of State Impact Reasonable?	Is Agency Estimate of Municipal Impact Reasonable?	Did Agency Submit a Small Business Impact Statement? <sup>2</sup>	Did Agency Submit a Regulatory Flexibility Analysis? <sup>2</sup>
2018-011	DCP	No	Yes	No	Yes

This regulation adds eight more medical conditions to the list of conditions that qualify for medicinal marijuana resulting in a revenue gain to the state depending on the number of people who qualify and apply for the program. As of July 1, 2018, there are 26,673 people that qualify for the program and pay the \$100 annual fee. In FY 17, these fees generated \$2.1 million in revenue for the state.

<sup>1</sup> CGS Section 2-71c(c)(7) requires OFA to prepare "short analyses of the costs and long range projections of ... proposed agency regulations."

<sup>2</sup> CGS Section 4-168a requires agencies to prepare a small business impact statement on all regulation submittals and prepare a regulatory flexibility analysis statement when there is an impact on small businesses.

The regulation increases various fees associated with medical marijuana and institutes various new fees resulting in a potential revenue gain to the state.

Please contact me if you have any questions or would like additional information.
