The Honorable Benjamin Barnes  
Secretary, Office of Policy and Management  
450 Capitol Avenue  
Hartford, Connecticut 06106

Dear Secretary Barnes:

In conformance with Public Act 09-7 of the September Special Session, attached please find the Non-Appropriated Cash Status Report as of March 31, 2011 for the Connecticut State University System.

Please note that all numbers are taken from our audited system of record, Banner. It is also important to note that the SIDs included under Fund 12021, Grants – Tax Exempt Proceeds, are not grants, but are in fact old agency administered general obligation bond projects at our universities, many of which are in fact completed and the funds fully expended. CORE appears to contain a balance for these SIDs; we will work with the Comptroller's Office to update and correct the numbers within CORE System to the fullest extent possible.

When considering this report, it is important to remember that cash represents simply dollars in and dollars out in a particular month. It does not include any future liabilities or claims against this cash. And because it is a higher education constituent unit, CSUS has a particularly uneven flow of cash. We collect tuition and fees, our main non-appropriated source of cash, only twice in a fiscal year, while our expenditures tend to be more evenly distributed over the year. So, for example, cash in the summer months is generally at a higher point, because tuition and fees for fall are flowing in. At the same time, expenses tend to be at their lowest point of any of the 12 months, because it is summer, a number of faculty and some staff are off-payroll because they are 10-month employees, and classes are over (except for summer sessions).

As another point of interest, our projected cash balance at fiscal year end represents approximately three months worth of operating cash.

If you have any questions regarding this report, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Pamela J. Kedderis". The signature is fluid and cursive, with a long horizontal stroke at the end.
