

STATE TASK FORCE MEETING

January 9, 2015

Action plan from minutes of previous meeting from December 3, 2014

1. Identify individual member priority list of goals and objectives – member discussion.
2. A review of other task force guiding principles of animal welfare and discussion of whether to adopt and endorse, and also discuss additional recommendations and possible data base.
3. Review of MACO report analysis.
4. Discussion of draft survey regarding shelter practices looking at intake, adoptions and euthanasia.
5. Discussion regarding establishing a state model of pet evaluations and developing a matrix to provide information to save healthy treatable animals.
6. Review of other organizations speaking to us.
7. Discussion of formalizing a standard ACO training program and discussion regarding ACO officers on call 24/7.
8. Review and discussion of on-line training courses to be recommended for ACO's.
9. Review and discussion of developing a recommended volunteer model to the State for municipalities. (Not mandated.)
