3. HCBS ARPA Update
   a) Background, timeline and funding update
Medicaid and CHIP Postpartum Care
(April 1, 2022)

- PA 21-2, June Spec. Sess., Sections 371-372
- Extends HUSKY A Medicaid postpartum coverage from 60 days to 12 months for individuals with income up to 263% FPL who are citizens or qualified non-citizens
- Authorized by the American Rescue Plan Act (ARPA) for 5 years, will require a State Plan Amendment (SPA) submission
- Status Update:
  - New eligibility coverage group is being programmed in DSS systems
  - SPA template has not been released by CMS
  - DSS will submit SPA once the federal system is ready to accept Children’s Health Insurance Plan (CHIP) SPAs (anticipated February 2022)
  - Considering if any other Medicaid payment authorities are necessary for postpartum women eligible for CHIP who may apply for Medicaid
  - Anticipate a February 2022 SPA submission for Medicaid and CHIP
Prenatal care for pregnant individuals (CHIP unborn child option) (April 1, 2022)

- PA 21-176 Sec 4 as amended by PA 21-2, June Spec. Sess., Sec 344
- Provides prenatal coverage for pregnant individuals regardless of the immigration status of the pregnant individual
- Funded by CHIP
- Status Update:
  - New eligibility coverage group is being developed in DSS systems
  - DSS will submit SPA once the new federal system is ready to accept CHIP SPAs (anticipated February 2022)
Covered Connecticut (July 1, 2022)

• Requires DSS to pursue an 1115 demonstration waiver to fully subsidize remaining premium and out-of-pocket costs for individuals enrolled in the silver level benchmark plan from a Qualified Health Plan (QHP) offered through Access Health CT
• Implementation is targeted for July 1, 2022
• Status Update:
  • Concept paper submitted to CMS
  • Informal feedback received from CMS (12/7/21) - No major concerns
  • Waiver application and budget neutrality complete by mid January
  • DSS will post for public comment in late January
  • DSS will request hearings for the waiver in the early part of the 2022 legislative session
  • Implementation will occur as soon as feasible after CMS approval of waiver which may be later than 7/1/2022
Coverage for non-qualifying immigrant children (January 1, 2023)

• Effective 1/1/23 – provides health coverage to children 8 years of age or younger, in households with income that does not exceed 323% FPL, regardless of immigration status (PA 21-176 Sections 1 and 3)

• 100% state funded; mirrors HUSKY A and HUSKY B eligibility

• OHS, in consultation with other state agencies including DSS, required to study the feasibility of expanding coverage to children ages 9-18 up to 323% FPL by 7/1/22 (PA 21-176 Section 5)
Postpartum care for non-qualifying immigrants (April 1, 2023)

• PA 21-176 Section 2
• Provides 12 months of postpartum coverage for individuals with income up to 263% FPL who don’t qualify for HUSKY due to citizenship status
• 100% state funded
