    see explanation below

MUNICIPAL IMPACT            None

STATE AGENCY(S)            Agriculture

EXPLANATION OF ESTIMATES:

STATE IMPACT: Funds in the amount of \$15,000 have been included within SHB 5100 (the Appropriations Act, as favorably reported from the Appropriations Committee) for fiscal year 1992-93. The funds are for the initiation of educational programs to inform producers, operators and dealers of their responsibilities due to United States Food and Drug Administration implementation of new protocols for monitoring, surveillance and enforcement of drugs in milking cows. Any increase in revenue due to the change in the fines for violations is anticipated to be minimal.
