EXPLANATION OF ESTIMATES:

STATE AND MUNICIPAL IMPACT: Expanding the use of the Long Island Sound Clean-up Account (within the Clean Water Fund) could divert funds from one municipality to another, however, the exact impact is not known. The expanded use of the account could impact the need for future bond authorizations. The Long Island Sound account has an unallocated balance of \$30,669,036 (as of 3/27/92) and \$50 million has been authorized to date.
