FISCAL IMPACT STATEMENT - BILL NUMBER SHB 5680

STATE IMPACT	Costs (Transportation Fund), see explanation below
MUNICIPAL IMPACT	Potential Minimal Costs, see explanation below
STATE AGENCY(S)	The Departments of Transportation and Economic Development

EXPLANATION OF ESTIMATES:

STATE AND MUNICIPAL IMPACT: Since the Commission would be placed under the Special Transportation Fund for administrative purposes, costs incurred by the Commission would become part of the Transportation Fund operating budget. Costs to the Transportation Fund are at present indeterminate since personnel needs, although permissive, are to be determined by the State Pier Commission. Costs resulting from the participation of the Commissioners of Transportation and Economic Development or their designees, as non voting ex officio members of the Commission are expected to be minimal.

Costs to the Town of New London for participation, and any involvement with the New London State Pier Advisory Commission is expected to be minimal.
