FISCAL IMPACT STATEMENT - BILL NUMBER SHB 5855

STATE IMPACT See explanation below

MUNICIPAL IMPACT None

STATE AGENCY(S) Economic Development

EXPLANATION OF ESTIMATES:

STATE IMPACT: Since the Department of Economic Development is already working on a campaign promoting Connecticut as a place to conduct business, vacation and reside in, and promoting products made in Connecticut, there is no additional cost to this aspect of the bill. However, the requirement that the DED compile, publish, revise and distribute to the public, a directory of products made in Connecticut within available appropriations, cannot be handled by the agency at this time. Although, the bill allows for fees to be charged to cover the costs of the directory, the DED does not currently have the staff or funds to upfront such costs.
