FISCAL IMPACT STATEMENT - BILL NUMBER HB 5907

STATE IMPACT                   None  
MUNICIPAL IMPACT           Potential    Off-Setting Savings, -  
                                  Revenue    Loss, see explanation  
                                  below  
STATE AGENCY(S)            Department of Health Services

EXPLANATION OF ESTIMATES:

MUNICIPAL IMPACT: Since municipalities will not have to send the certified copy to the town of residence, a savings is anticipated to result. The extent of the savings is indeterminate as it is contingent upon the number of times that this occurs. This savings, however, could be offset by a revenue loss because the registrar in the town of occurrence will not be able to impose a charge for the copy on the town of residence.
