EXPLANATION OF ESTIMATES:

STATE IMPACT: The passage of this bill would result in an annual revenue loss to the General Fund of about \$3,000. This is based on FY 1990-91 activities of 58 new licenses (\$25, valid for three years) and 104 renewals (\$15, valid for three years). A minimal workload reduction would result from eliminating the examination and licensing processes. There would be no budgetary savings.
