FISCAL IMPACT STATEMENT - BILL NUMBER sSB 192

STATE IMPACT	Minimal Cost, Within Normal Budgetary Resources, explanation below	see
MUNICIPAL IMPACT	None	
STATE AGENCY(S)	Legislative Management	

EXPLANATION OF ESTIMATES:

STATE IMPACT: There is an annual minimal cost for Legislative Management associated with an annual report by the Task Force to study aero-derived gas turbines. The minimal cost includes the completion and distribution of reports to the Departments of Economic Development and Public Utility Control. It is anticipated that the completion of reports can be handled within normal budgetary resources of Legislative Management.

It is understood that no per diem payments or mileage reimbursements are provided for members of the task force.
