FISCAL IMPACT STATEMENT - BILL NUMBER sSB 283

STATE IMPACT See explanation below  
MUNICIPAL IMPACT None  
STATE AGENCY(S) Department of Correction

EXPLANATION OF ESTIMATES:

STATE IMPACT: The passage of this bill as amended would establish a corporation, the Connecticut Correctional Enterprises, Inc., which would be a quasi-public agency of the state responsible for the operation of the correctional industries program. While the establishment of such a corporation has no initial cost to the state it should be noted that this bill does not provide any direction as to where Connecticut Correctional Enterprises, Inc. will secure necessary funds needed to hire an executive director and any additional funds to carry out the corporation's goals and objectives.

In the past the correctional industries program has been supported by the state, and the establishment of the Connecticut Correctional Enterprises, Inc. could result in a greater future fiscal commitment by the state. It is anticipated that the Corporation will seek state grants, bond authorizations from the state, and charge fees for services in order to meet its initial goals and objectives.

Senate Amendment "A" is technical in nature and has no fiscal impact.
