While I can't elaborate in great population or geographic detail, the 2nd Congressional District needs to be split.

I live in West Suffield, CT 06093, which is on the WEST side of the Connecticut River next to East Granby and Granby CT.

The major road near me, other than Rt 20, is Rt 10/202 which snakes down from Granby, Simsbury, Avon, Farmington, Plainville. Southington and so forth.

Despite this location, I am in what my Congressman calls "Southeast Connecticut."

Really?

The 2nd District, so-called SE Connecticut, is ENORMOUS, the entire Eastern half of the state AND clearly into the western part as well.

Anytime anyone from the area hears that my Rep is Joe Courtney from SE Connecticut, they're floored since they live one road away from me.

So, that's all I have as comment, but West Suffield (and Suffield) is in the wrong district and it should be corrected with the reapportionment.
