Thank you for your consideration of this request.

North Commuter Railroad, and to add stops in Seymour, Shelton, and Derby, the number and frequency of trains running on the Waterbury branch line of the Metro-790 of the General Assembly to require the Commissioner of Transportation to increase would ask that the Transportation Committee raise a bill that would amend section 13p-

Because individual members may only propose bills of a financial nature this year, I

Dear Committee Leadership,

Hartford, Connecticut 06116
Legislative Office Building
Room 3200

Transportation Committee
Representative Laura Devlin, Ranking Member
Senator Martin Looney, Ranking Member
Representative Robyn Kuznik, Chairman
Senator Carlo Leone, Chairman
